Searle's winner

A GOAL by Keith Searle, Wycombe Wanderers' centre forward last season, in the last 60 seconds, gave Enfield a 3-2 victory over Tooting and Mitcham last week in the last Rothmans Isthmian League match of the season. Enfield's triumph put them five points clear of Wanderers. Searle finished top goalscorer for the club with 35 goals.

Tour men look good

Wycombe W. 2, Hungerford 0

WYCOMBE Wanderers, who included three guest players, did just enough to take the 'Cyprus Cup' on Friday night, when they beat Hungerford Town 2-0 to win 2-1 on aggregate (writes Stuart Earp).

The Cyprus Cup was won by Wanderers on tour a couple of seasons ago. To keep in trim for the Anglo-Italian matches, they put the trophy up for competition against Hungerford over two matches. The Hellenic League side won the first leg at home 1-0 last Wednesday but Wycombe did just enough to overhaul them 2-1 on aggregate, the winning goal at Loakes Park coming five minutes from time.

Most of the interest in this game centred around the new players. Peter Watson and Martin Gilligan, who are touring Italy with the Blues next month, both looked useful while young Glen Swaby showed some nice touches although he found the pace a little too fast at times.

The newcomers obviously took time to settle and early on, Hungerford, for whom Penny and Matthews were outstanding, profited on numerous Wycombe errors. It was half an hour before the Blues produced a worthwhile effort at goal but goalkeeper Hyatt saved superbly from Dave Bullock's full blooded volley.

Wanderers took the lead a minute before half time when Geoff Anthony pushed the ball through the defence to Tony Horseman. 'Bodger' drew Hyatt and slotted home from a narrow angle. Hungerford, caught pushing out of defence, claimed the goal was offside.

Hyatt pulled off some marvellous saves after the break, notably from Holifield and Horseman, and just when it seemed extra time was on the way, Dylan Evans took a pass inside the area, flicked the ball past Hyatt and netted from close range.
